JOINT MOTION FOR EXTENSION OF TIME TO RESPOND

Defendants Warner Bros. Entertainment Inc. (“Warner Bros.”), Behaviour Interactive, Inc. (“Behaviour”), and Plaintiff Bethesda Softworks LLC (“Bethesda”), (collectively the “Parties”) respectfully request a forty-five (45) day extension of time for all defendants to respond to the complaint in this matter. The Parties request this extension to facilitate discussions with the goal of narrowing the issues in this case, and limiting the burden on the Court’s time.

Bethesda filed the complaint on June 21, 2018. On July 11, 2018 Warner Bros. requested an extension of time for all defendants to respond to the Complaint, which the Court granted on July 12, 2018. The date for all defendants to respond to the Complaint is currently August 3, 2018.

The Court has not set a schedule for this case and no other motions are currently pending. This second extension will not prejudice any party or impact the Court’s schedule, and may result in a narrowing of the issues and, consequently, a lessening of the burden on the Court. Courts regularly permit extensions in such circumstances. *See, e.g., Sewell v. CFTC*, 2017 WL

1196614, at *2 (D. Md. Mar. 31, 2017) (granting thirty-day extension to respond to complaint). Defendants reserves all rights in responding to the complaint, *see, e.g., Beckham v. National R.R. Passenger Corp.*, 569 F.Supp.2d 542, 554 (D. Md. 2008), but in all events commits to work efficiently and diligently to have this matter resolved.

WHEREFORE, the Parties requests that the Court enter an Order, in the form annexed hereto, extending the time for all Defendants to respond to the Complaint until September 17, 2018.
